Dear Sir/Madam

**Sub: Ksolves India Limited, has become a Registered Red Hat ISV Partner**

**Ref: Disclosure under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements), 2015**

**Symbol: KSOLVES; ISIN: INE0D6I01015**

Pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements), 2015, this is to inform you that, Ksolves India Limited, has become a **Registered Red Hat ISV Partner**.

**About Red Hat:** Red Hat is the world's leading provider of enterprise open source solutions, including high-performing Linux, cloud, container, and Kubernetes technologies. Headquartered out of North Carolina, United States, Redhat helps its clients standardize across environments, develop cloud-native applications, and integrate, automate, secure, and manage complex environments by providing award-winning support, training, and consulting services.

The **Red Hat partnership program** provides Ksolves resources to certify, integrate and support industry-leading, open source technology for turnkey appliances and intelligent systems. The partnership shall provide Ksolves with recurring revenue streams through RedHat's subscription model, and will open avenues to target newer markets with offerings supported by their innovative technologies. More at <https://connect.redhat.com/en/programs>

Ksolves shall be able to leverage RedHat's open source technologies that are mature and proven in the enterprise. Build applications for scalability, interoperability, and flexibility, and accelerate deployments with modern DevOps practices. The partnership also provides Ksolves access to its very own partner portal which comes with numerous tools, training, documents, and more. For example, no-cost Red Hat software subscriptions are available for Ksolves staff training, customer demonstrations, interoperability testing and certification, and other approved uses.

**This prestigious partnership is another milestone in Ksolves' journey towards becoming a niche player in cutting edge technologies. The company is very hopeful that it will help generate new business opportunities.**

This is for your information and records.
